

## **Vishal Kumar**

Vishal Kumar is currently an associate with TechJuris Law Consultants.

At TechJuris, Vishal handles e-commerce law, corporate consulting and development of in-house policy frameworks for technology companies.

He has conducted several training programs and seminars on cyber law for educational institutions and corporate organizations. He is also a visiting faculty at various academic institutions including Symbiosis Institute of Computer Science and Research, Pune, ILS Law College, Pune & the National Insurance Academy, Pune.

He has keen interest in Public Interest Lawyering. He was actively involved in the Public Interest Litigation which resulted in the appointment of adjudicating officers under the Information technology Act 2000. Their appointment was vital to decide the fate of multi crore cyber crime cases in India.

Vishal is also the editor of “Medical Negligence Case Reporter”, a pioneer compilation in this discipline of law.
